Re: Children's Programming Certification

Dear Kyle:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for the second quarter of 2019, Game Show Network, LLC certifies that the GSN Network is in compliance with the commercial content restrictions of the Act.

**Re: Certification of Compliance with Children's Television &
Closed Captioned Programming – 2nd Quarter, 2019**

Ladies & Gentlemen:

You have recently requested information from us to assist you in your record keeping obligations respecting (i) the commercial limitations imposed on children's programming by the Children's Television Act and (ii) the closed captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations. We hereby advise you that for the period April 1, 2019, through June 30, 2019, (i) none of MSG or MSG Plus programming was originally produced and broadcast primarily for an audience of children 12 years old and under, and therefore the FCC limits on commercial time as contained in 47 C.F.R. Section 76.225 do not apply to any of MSG or MSG Plus programming for such period and (ii) MSG and MSG Plus program services included a sufficient number of hours of closed-captioned programming to satisfy the applicable requirements specified in such closed captioning regulations.

We trust that this satisfies your request.

Sincerely,

Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 2nd Quarter 2019. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage go to "Technical" and scroll down to "Compliance Notices." You can download the Q2 – 2019 certificates by clicking on Kid Vid Certificates and following the prompts.**

If you have any questions, please contact me at (404) 575-9724 or e-mail barbara.debuys@turner.com. Thank you for your continued carriage of the Turner networks.

Kindest regards,

This is to certify that the list set forth below identifies all programs and series transmitted during the above referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC").

None of the following programs or series included any commercial spots including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Anime Network as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.
